- There is no shipping cost for EZ Hangers, Christmas Light Sets or Delivery Bags when they are sent along with your bulk wreath shipment.
- For our customers who live in warm weather climates, we can treat the evergreen products with a preservative called Greenzit. Ask your Fundraising Coach for details.
- We have the best track record in the industry for delivering our products on time and in good condition. However, we cannot be held responsible for delays or shortages caused by truckers strikes, embargos or acts of God such as floods, storms and blizzards which may affect delivery or harvesting operations. No credit given over your cost of shipping and product charges. All adjustments for damaged products must be reported within 10 days of delivery to receive credit on your invoice.
- 48" & 60" wreaths must be shipped via an LTL carrier. For this reason, if you order these larger sized wreaths, your total order must be at least 175 evergreen items.
