TRADITIONAL PROGRAM

You have completed your Traditional Products fundraiser. Time to celebrate and put your earnings to good use.

HOW THE TRADITIONAL PROGRAM WORKS

1. Your members take pre-orders and collect payment (cash or check payable to your organization).
2. The Fundraising Leader consolidates all sales and collects payments at the end of the selling period and submits the orders to Mickman Brothers on **November 1st**.
3. Mickman Brothers 'bulk-ships' your products to a single, specific delivery address.
4. Your members deliver the wreaths to their customers after your 'Preferred Week of Delivery' (see below).
5. Final payment is made to Mickman Brothers after the money is collected from your members at the end of your fundraiser.

BENEFITS OF THE TRADITIONAL PROGRAM

- **Lower Prices for your customers** - you are buying direct from the manufacturer!
- **Higher sales** for your organization because of the low cost and high value of the products.
- **A profit margin of \$6-\$10** per product ensures that your profits add up fast with each sale! **You set your own prices.**
- **A full assortment of evergreen products** provides your customers with a product selection that is perfect for their home, office or apartment.
- **Fundraising is a valuable learning experience** for your members. They will be involved in each stage of the fundraiser and feel they are contributing directly to the success of their organization.
- **You will be assigned a Personal Fundraising Coach** to guide you through the entire fundraiser.

'BULK-SHIP' DELIVERY INFORMATION

Your Carrier

To minimize the shipping cost for our customers, there are several options.

(Your shipping costs are listed on the reverse side of your 2023 Wholesale Price List)

1. FedEx is the preferred carrier for shipping products outside of Minnesota.
2. If you prefer, you may arrange for your own carrier or pick up the order yourself.
3. Deliveries in the 7 county Twin Cities area are made by Mickman Brothers' Delivery Team at no charge.

YOUR "PREFERRED WEEK OF DELIVERY"

In order to negotiate the best shipping rates for our customers, we ship orders which are going to the same region together. In this way, we can load the trucks in Minnesota, and they are able to travel across the country without any additional handling by the carriers. The less handling - the less cost. The list below shows the 'Preferred Week' for your zone. Your organization does not have to receive its order during your 'Preferred Week', however, if you choose a different week, there may be an additional shipping cost of up to 2% due to additional carrier handling charges.

Northern Zone
November 6th - 10th

Central Zone
November 13th - 17th
or November 20th - 24th

Southern Zone
Nov. 27th - Dec. 1st
or December 4th - 7th

HANDCRAFTED BOWS

We believe our highest quality Holiday Evergreens deserve to be adorned with the most beautiful bows available. Therefore, we have chosen the best ribbon in the industry to accent our products:

- **Cranberry Splash Bow:** This 4" wide, fabric ribbon has braided gold wired edges to hold the generous loops of this fabulous bow.
- **Wintergreen Bows:** This textured fabric ribbon has wired edges to hold the bow loops and tail in place during display.
- **Victorian Bows:** This generous 7-loop bow is made of satin ribbon with golden imprinted/wired edges to hold the loops & graceful arcs of the long tails.
- **Classic Bows:** This distinctive red velveteen ribbon with gold backing is used for all 25" – 36" Classic Wreaths and Sprays.
- ***48" & 60" Classic Bows:** The 4" wide velveteen ribbon used for these large bows is edged with wire to keep the shape of the generous loops and tastefully arranged tails. Due to the wide loops of these hand tied bows, we ship these bows separately to ensure they arrive in perfect condition for your customers.

Compare with the others in our industry.

The quality of our handcrafted bows and highest quality ribbon is unmatched in the industry. One more 'detail' which highlights our commitment to provide the highest quality products possible.

Our wreaths and sprays are fully decorated and ready to display!

There is no need for your members to attach bows or cones to our products - everything arrives complete and ready for delivery!
